Once your extension date has been confirmed you will be required to provide a credit card number with expiry date which will be charged \$250 USD.

Taglit-Birthright Israel airline tickets are a certain class of **booking**. Air Canada may not have available seating in that class on the date you wish to return. In this case you will either have to settle for a different date and flight or, if offered by Air Canada, choose to pay a higher fee for a different class of booking. **Please note that Class of Booking refers to fare and not seat availability.

*To extend your stay prior to departure the fee is \$250 USD only if the CLASS CODE/FARE (not the seat availability) of your ticket is available on the date Air Canada can confirm you on. If the CLASS CODE/FARE is not available you will be given the option to pay a difference in CLASS FARE to the next available fare on the date which is available **plus the date change fee of 250.00 USD.*****
